MarquipWardUnited seek an experienced Sales Executive for their European Sheeter sales team.

Market sectors include: folding carton plants, offset printers, paper and board mills. Our company has an impressive list of European installations that are supported by a large service team and spares warehouse in Germany.

Experience in the above market sectors will be an advantage.

Language skills particularly in English, French or German will be highly beneficial. Office locations in Bedford UK or Frankfurt Germany are available or a home office location is also possible.

An excellent salary and incentive package are offered together with a fully maintained company vehicle.

Key requirements are:

Drive, Initiative, ability to close at the highest level, a proven record in capital goods sales.
